

BACKFLOW SERVICES, INC.

40 Hour Backflow Tester Training

Date: June 24-28th 2019

Registration deadline is June 17th, 2019.

Location: Town of Dayton

125-B Eastview Street, Dayton, VA 22821

POC: Russell Bailey, Public Works, 540-830-0131

Seating is limited and Pre-registration is required.

Classes are filled by paid registration only.

Class is open enrollment but specifically designed for those individuals working in water and wastewater professions including: irrigation specialists, landscaping, fire prevention, maintenance personnel and plumbers. This course does not certify but does fulfill the training requirements for the Virginia DPOR Backflow Prevention Device Worker.

“PROTECTING THE WATER SUPPLY ONE BACKFLOW CONNECTION AT A TIME”
